- A. Interested companies can [register online](https://www.businessgateways.com) on www.businessgateways.com.
- B. Upon submitting the JSRS Registration form, a confirmation mail will be sent to the registered company email ID.
Note: Order confirmation is a 'must' to proceed further, so please confirm acceptance of the mail received from businessgateways.
- C. On receipt of order confirmation, the Login credentials to JSRS shall be sent to your registered company email ID.
- D. Login and complete the [JSRS Certification fee paymentprocess](#) and update your company profile.
- F. JSRS Certification process involves:
 - 1. Enterprise Admin
 - 2. MCP (Master company Profile)
 - 3. Supplier Profile
 - 4. SCF (Supplier Certification Form)

[Tier 3 – Industry Certification by JSRS Buyers](#)

JSRS Certification Fee Structure

Oman:

- 1. Companies registering from Oman are subject to following fee structure, as per the Small and Medium Enterprise Development Authority(SMEDA). **SME-Micro: OMR 50, SME-Small: OMR 100, SME-Medium: OMR 100, Large Companies: OMR 900.**
- 2. The JSRS Certification Fees shown above are for a subscription period of Three Years.
- 3. Please note that your Company Classification is based on your Total Employee count & your Annual Sales Turnover.
- 4. Choose the right Classification during the Registration or your Certification process will be delayed due to the Classification change process during diligence check.

Note:

- JSRS Subscription Fee mentioned is excluding VAT of 5%. VAT charges are applicable only to Omani companies.

- JSRS Subscription Fee is exclusive of any payment processing charges that may be applicable.

To know more about the JSRS Subscription Fee refer to the Certification Fee tab in the [Registration page](#).

International:

Option 1: USD 1,000 for One Year.

Option 2: USD 2,250 for Three Years.

Note:

- JSRS Subscription Fee is exclusive of any payment processing charges that may be applicable.

To know more about the JSRS Subscription Fee refer to the Certification Fee tab in the [Registration page](#).

What are the modes of payment available?

There are two modes of payment available on the JSRS Application:

- Online Payment
- Offline Payment

Online Payment:

The JSRS Certification fee can be paid online through the Payment Gateway of Bank Muscat hosted on the JSRS. You can also pay using Credit/Debit cards. It is important that your Credit/Debit Cards are '3D Secure' approved before it can be used on our system.

Offline Payment:

The offline payment can be done via:

- Cheque or Cash Deposit
- Bank Transfer

The JSRS Subscription Fee for International Company is relatively higher than the Fee for Omani Companies. Do you offer special rates/Subsidized rates for Micro or Small overseas companies

The JSRS Subscription fee for Suppliers is set by the Ministry of Energy and Minerals, Oman and is based on the supplier origin (National or International).

Further, in Oman, it is based on Company Classification (SME & Large) standards set by the Small and Medium Enterprise Development Authority(SMEDA).

To know more about the JSRS Subscription Fee refer to the Certification Fee tab in the [Registration page](#).

What are the Pricing Policies for Suppliers?

The Certification fee for suppliers is set by the Ministry of Energy and Minerals, Oman and the actual value is based on the supplier origin (National or International).

For Omani companies, the employee count, and annual sales (revenue) are the deciding factors for the JSRS certification fee, and the company classification is as per Small and Medium Enterprise Development Authority(SMEDA) classification standards. Information regarding the current Supplier Fee and the Certification Duration is outlined on www.businessgateways.com.

Do we need to pay separately for NBF and JSRS Platforms?

No. A single payment is enough to gain access to the NBF and JSRS Platforms.

What is Tier 1 on JSRS?

- A. The Tier 1 of JSRS is an e-Marketplace (B2B) Platform initiative known as Oman National Business Framework.
- B. Suppliers are expected to ready their company profile here and are encouraged to use the critical B2B Tools that are available on this tier.
- C. All Products and Services offered by the Suppliers are uploaded here through an exhaustive Catalogue Management System built using the JSRS Category Code - UNSPSC based, These Products and Services shall be Validated on SCF (Supplier Certification Form) of JSRS.
- D. The NBF also supports bringing in multiple users from within each supplier organization for better collaboration and integration to the e-Marketplace.
- E. Upon profile validation, suppliers can gain access to and network with thousands of credibility-verified companies across 95+ countries.
- F. Suppliers can subscribe for open tender notifications from all sectors of the 6 GCC countries.

What is Tier 2 on JSRS?

- A. The JSRS Tier 2 Consists Buyers Community, JSRS Tenders, CMS (Contractors Management system) and Jsearch.

What is Tier 3 on JSRS?

Joining the JSRS Certified Suppliers Network (JSRS-CSN) on Tier-2 allows access to Additional Certifications/Pre-Qualification options for certain Buyer Community organizations. Tier-3 enables these organization-specific certifications but is currently available only to Omani companies meeting specific criteria.
